WJCS Holiday Gift Drive:

Over 200 gifts for kids were donated at the 10th annual gift drive for Westchester Jewish Community Services at the home of Linda Plattus on Tuesday December 1st. Gift cards, lego sets, craft kits, barbies and superheroes will be distributed to the many children in the county served through WJCS's programs. Representatives from WJCS reviewed their work, asked for volunteers and thanked the group for the gifts, saying that for some children, these would be the only holiday gifts they would receive.
