

# WJCS Care Consultations for Alzheimer's Disease and related dementias

**Family and Friends** whose lives have been changed by Alzheimer's or other forms of dementia face a unique set of challenges. Caregivers play a significant role from the moment of diagnosis, and often do not receive the vital support that they need to best care for their loved one. Through NYS DOH Alzheimer's Disease Caregiver Support Initiative, WJCS Pathways to Care Program provides professional assistance to individuals and families caring for a loved one with Alzheimer's or other forms of dementia.

## **OUR COMPASSIONATE AND HIGHLY TRAINED STAFF OFFER:**

- ☑ Care consultation and clinical assessment
- ☑ Individualized care planning
- ☑ Resource referral
- ☑ Individual and group counseling
- ☑ Discussion/completion of advanced directives
- ☑ Referral to home care and respite services
