To schedule an appointment in one of our four WJCS clinics, please contact:

- **Yonkers Clinic** – Leslie Perez (914) 423-4433 ext.3
- **Hartsdale Clinic** - Bethania Camilo (914) 949-7699 ext. 4
- **Mt. Vernon Clinic** - Marissa Cortes (914) 668-8938 ext. 3
- **Peekskill Clinic** - Leslie Hernandez (914) 737-7338 ext. 3

Please call the clinic closest to your home and dial the extension for the admitting specialist. Calls are returned within 24 hours (except if it is a holiday or weekend). The earliest intake appointment will be scheduled, according to what your schedule allows. During the intake phone call, we will gather and verify your insurance, demographic information, and time of initial initial appointment.

If you need another level of care (i.e. Trauma or Developmental Disability program), you will be referred to the person who handles that program. If you have an insurance plan in which we don't participate or we cannot meet your scheduling demands, we will try and provide other resources for you to contact.
