Wednesday, April 15, 2026
6:30 - 9:00pm
Brae Burn Country Club
Purchase, NY

Westchester Jewish Community Services (WJCS) will host its 2026 Gala on April 15, honoring Marion Morgenthal, co-founder of POINT, recognizing Joe Torre Safe At Home for their partnership with WJCS Margaret’s Place, and presenting the Young Leadership Award to Yael Friedland, founder of the WJCS Share Shabbat program for Holocaust Survivors.

As a premier Gala in Westchester, it brings together 300+ prominent philanthropists, business professionals, and community and government leaders. The centerpiece of the event is the **Give for Good Auction**, which highlights the success stories of WJCS and the need for help in the county. Each year, the auction raises hundreds of thousands of dollars to support WJCS programs and services.

A non-profit, secular organization founded in 1943, WJCS has grown to be the largest provider of licensed outpatient community mental health services and one of the largest human service agencies in Westchester County with 20 locations, including 4 Certified Community Behavioral Health Clinics in Hartsdale, Mount Vernon, Peekskill, and Yonkers, offering evidence-based mental health and trauma treatment to adults, youth, and children. The agency provides state-of-the-art programs and services and compassionate care to more than 20,000 under-resourced people of all ages and backgrounds throughout Westchester.
