

SCHOOL'S OUT SERVICE IS IN!

JOIN WJCS FOR A FAMILY SERVICE DAY

Spend the day making a difference in local teens' lives.

WJCS Family Service Days help children learn the value of giving back while supporting neighbors in need. On Monday, October 12, 2026, families will come together to pack hygiene kits for adolescents receiving services in WJCS school-based mental health clinics throughout Westchester County.

Imagine being a teenager without access to basic essentials like shampoo, deodorant, or toothpaste.

WJCS clinicians provide hygiene kits to students who need them, helping them feel confident, cared for, and ready to succeed in school.

At This Event, Volunteers Will:

- **Pack hygiene kits** for local middle and high school students
- **Create an inspiration collage** to welcome students to WJCS clinics
- **Hear from WJCS social workers** about supporting underserved youth in Westchester schools

Our Goal: Pack 70 Hygiene Kits!
